

2020 Martin Slough Habitat Enhancement Project

Addendum #1 June 1, 2020

The purpose of this Addendum is to modify the Contract Documents for the subject project.

This Addendum shall become part of said Contract Documents.

Each bidder shall acknowledge receipt of this addendum in his/her bid proposal on page B-12 of the bid documents.

- Item 1. All bridges to be removed from the site as described in the project plans and specifications, shall be hauled offsite and disposed of by the Contractor in a legal manner. The removal of the bridges, including off hauling and disposal, shall be accounted for in Bid Schedules A and C, Line Item 6.
- Item 2. Approximately 12 root wads have been delivered to the project site and shall be used in locations as shown on the plans and described in the specifications for root wad deflectors and root wad habitat structures. In addition, the available root wads can be utilized and placed in lieu of the one log cover structure shown on the North Fork at approximate STA 6+50, and in lieu of one log cover structure shown in Pond F.
